Instructions

- Any full-time regular, part-time regular and term-limited temporary employee who receives vacation and/or sick leave accruals, may donate a portion of his or her accrued vacation and/or sick leave to another full-time, part-time regular and term-limited employee.
- If your Collective Bargaining Agreement (CBA) allows donations of other types of leave, use this form to document the donations and follow your CBA.
- The applicable CBA or the Personnel Guidelines establish the minimum required balance to donate, the maximum amount of leave that can be donated, how the donated leave may be used, and how your donation will be processed.
- The donating employee may not donate more vacation leave than he or she has accrued.
- All donations of vacation and/or sick leave made are strictly voluntary. Employees are prohibited from soliciting, offering or receiving monetary or any other compensation or benefits in exchange for donating vacation or sick leave hours.
- Vacation leave may be donated to an employee earning $16.92 or less for use on a furlough day. Donated leave for this purpose cannot exceed 80 hours, and the donated leave is applied on an hour-for-hour basis rather than on a dollar conversion basis. If the donated leave is not used for furlough within 90 days, it does not revert back to the donor.
- **All of the above provisions are subject to King County Code 3.12.223, Personnel Guidelines 14.6 (D) and applicable CBAs. Please contact your department payroll representative for further information.**
